CUSTOMER INFORMATION:

- 1a. Table of Awarded Special Item Number(s) with appropriate cross-reference to page numbers: **874-501/501RC**
- 1b. Identification of the lowest priced model number and lowest unit price for that model for each special item number awarded in the contract. This price is the Government price based on a unit of one, exclusive of any quantity/dollar volume, prompt payment, or any other concession affecting price. Those contracts that have unit prices based on the geographic location of the customer, should show the range of the lowest price, and cite the areas to which the prices apply.

- 1c. If the Contractor is proposing hourly rates a description of all corresponding commercial job titles, experience, functional responsibility and education for those types of employees or subcontractors who will perform services shall be provided. If hourly rates are not applicable, indicate "Not applicable" for this item.
2. **Maximum Order:** \$1,000,000.00
3. **Minimum Order:** \$100.00
4. **Geographic Coverage (delivery Area):** Domestic and Overseas
5. **Point(s) of production (city, county, and state or foreign country):** Same as company address
6. **Discount from list prices or statement of net price:** Government net prices (discounts already deducted). See Attachment.
7. **Quantity discounts:** None Offered
8. **Prompt payment terms:** Net 30 days
- 9a. **Notification that Government purchase cards are accepted up to the micro-purchase threshold:** Yes
- 9b. **Notification whether Government purchase cards are accepted or not accepted above the micro-purchase threshold:** will accept over \$3,000
10. **Foreign items (list items by country of origin):** None
- 11a. **Time of Delivery (Contractor insert number of days):** Specified on the Task Order
- 11b. **Expedited Delivery.** The Contractor will insert the sentence "Items available for expedited delivery are noted in this price list." under this heading. The Contractor may use a symbol of its choosing to highlight items in its price list that have expedited delivery: Contact Contractor
- 11c. **Overnight and 2-day delivery.** The Contractor will indicate whether overnight and 2-day delivery are available. Also, the Contractor will indicate that the schedule customer may contact the Contractor for rates for overnight and 2-day delivery: Contact Contractor
- 11d. **Urgent Requirements.** The Contractor will note in its price list the "Urgent Requirements" clause of its contract and advise agencies that they can also contact the Contractor's representative to effect a faster delivery: Contact Contractor

26. **Notification regarding registration in Central Contractor Registration (CCR) database:** Registered

27. Labor Descriptions

Warehouse Supervisor

Education: Associates degree or equivalent related experience.

Experience: Typically has 3-5 years of experience in general logistics processes and shipping and receiving operations.

Duties: Responsible for overseeing the operations of incoming and outgoing shipments of material, including receiving, material inspection, packing, preservation, and material delivery to customers. Takes precautions to secure warehouse contents against loss. Evaluates inventory on-hand. Oversees preparation of or prepares bills of lading. Prepares reports that depict the quality and performance metrics of the warehouse operation.

Warehouse Specialist

Education: High School Diploma or equivalent

Experience: Typically has at least six (6) months of experience in warehousing operations.

Duties: As directed, the Warehouse Specialist performs a variety of warehousing duties that require an understanding the warehouse storage plan. Work involves: verifying materials against receiving documents, noting and reporting discrepancies and obvious damages, routing materials to prescribed storage locations; storing, stacking, or palletizing materials in accordance with prescribed storage methods, rearranging and taking inventory of stored materials, examining stored materials and reporting deterioration and damage, removing material from storage and preparing it for shipment. This worker may operate hand or power trucks in performing warehousing duties. Usually an intermediate or fully-qualified level requiring practical experience and physical lifting.

Substitution Criteria

☐ **Education Substituted for Experience:** Formal education may substitute for experience. Each formal degree (i.e., Bachelors, Masters, or Ph.D.) may substitute for four (4) years of experience.

☐ **Experience Substituted for Formal Education:** Specialized experience may substitute for formal education. Four (4) years of experience may substitute for a Bachelor Degree. Bachelor's Degree plus 2 years of additional general experience and 2 additional years of specific related experience with similar functional responsibilities may substitute for a Master's Degree

CorTrans Logistics provides practical solutions to supply chain, distribution, and transportation challenges. Consultative services include network analysis, process re-engineering, systems engineering, site selection, program management, and implementation planning. Logistics solutions include turnkey facilities and distribution centers, warehousing/storage, reverse logistics, kitting, processing, logistics/transportation subcontractor management and third-party logistics. We specialize in storage and distribution of valuable and/or mission-critical items, such as emergency relief supplies and service parts. Transportation solutions leveraging our GSA transportation Schedule 48 contract can be integrated to provide end-to-end supply chain management.

Pallet Storage, Temp Controlled (60-78 Deg F)

CorTrans provides cost effective storage solutions for relief supplies and other materials that require controlled ambient conditions. Depending on the climate, this may include air conditioned and heated (HVAC) warehouse storage, circulated air, or other methods to maintain temperatures in the 60-78 degrees Fahrenheit range. As part of a solution, CorTrans can provide monthly reports that depict temperature and relative humidity data to support the conditions within the warehouse. Floor-stacked pallets, or in racked pallet positions (pallet racking and MHE priced separately). Bulk storage is also available.

Minimum order quantities may apply. Minimums to be documented on any accepted task order.

Pallet Storage, Non-Temp Controlled

For storage solutions not requiring temperature controls, CorTrans also provides non-temperature controlled storage. Storage can be floor-stacked or in racked pallet positions (pallet racking and MHE priced separately). Bulk storage is also available.

Minimum order quantities may apply. Minimums to be documented on any accepted task order.

Pallet Storage, 24-Hr Surveillance, Security

For high-value or controlled items, CorTrans can provide storage that ensures 24-hour surveillance, either through armed guards, security surveillance systems, and barrier / special access protection.

Minimum order quantities may apply. Minimums to be documented on any accepted task order

SCA Eligible Labor Category	SCA Equivalent Code Title	Wage Determination No.
Warehouse Specialist	21410 - Warehouse Specialist	2005-2139

'The Service Contract Act (SCA) is applicable to this contract and it includes SCA applicable labor categories. The prices for the cited SCA labor categories are based on the U.S. Department of Labor Wage Determination Number(s) identified in the SCA matrix. The prices offered are based on the preponderance of where work is performed and should the contractor perform in an area with lower SCA rates, resulting in lower wages being paid, the task order prices will be discounted accordingly.'
